

Local Horse Makes Good **VOTE NOW!**

My horse Bar Diamond LeDoux better known as Petey to his admirers and friends is

going to be on TV on OCT 18th in a new reality series called America's Favorite Trail Horse and we made the national finals and the top 100. On April 16th 2011 we competed against over 1000 horses and riders throughout the US in 24 auditions throughout the US and made the top 100 National Finals. We then went to Blanco, TX in May and We taped over 10 episodes for a upcoming reality show with some of the top horse trainers in the world. This is a really amazing accomplishment for Petey and I and I want to share him with the world.

The first episode is Sept 13th on HRTV at 7pm with around 13 episodes total. Petey and I will be in episode #6 on October 18th at 7pm on HRTV and HRTV live and on www.actha.tv on the computer.. I have several people tell me they have seen commercials with Petey but we don't get the channel yet. The format for voting is similiar to American Idol and the viewers pick their favorites. The voting will take place within 48 hrs after the episodes airs on www.actha.us There are 10 horses in each episode then out of those 10 episode winners there will be a finals episode with those 10 winners with cash prizes. I have attached a potential news article along with a few pictures of Petey and I and wanted your feedback on how to get the word out to potential voters. We want to WIN!!!! We want to make KS, MO and the Midwest proud

Vote for Petey # 338 on Oct 18th. Check out Petey's face book page and stay tuned on how to vote. WE NEED YOUR VOTES- WATCH THIS SHOW AND VOTE FOR PETEY. The American Competitive Trail Horse Association (ACTHA) will announce how to vote this fall, it will be similar to American Idol with public voting.

Petey is fed Ultium feed and has been on Ultium for several years. Petey needed to look his best for the TV show and several public appearances he attends and I believe Ultium has given him an ultimate advantage in looking, feeling and performing his best at 17 years old. I want and need my horses looking and feeling their best while performing for the public. I love what Ultium has done for Petey and think his overall condition has improved greatly. He has a much better hair coat and shine, no coat bleaching, more energy and stamina and his top line has filled in greatly and he looks amazing for 17 years old. I have a very hectic schedule with my horses and job and haul several times a week and almost every weekend and I need a feed program that holds up to the demands we put on our horses and Ultium has done this without having to feed all the extra supplements to get the same results. We buy all our feed at Y Bar H In Olathe and they sponsor the local ACTHA rides we put on.

Let me tell you a little about myself and Petey and our partnership, in Aug 1999 I was in a bad horse accident and was in a wheelchair for quite some time and Petey was trained to lay down so I could get on him from my wheelchair and use him for therapy. He has overcome several obstacles in his life also along with helping others overcome their personal obstacles. He was snakebit in the nose by a rattlesnake and is missing his front tooth as a result, he is trained to smile and looks like a little redneck pony. He was also gored by a bull on his back hindquarters, even when that happened he continued to keep working before someone realized how bad it really was and got help.

Petey has a heart of gold and tons of try. Petey won the 2009/2010 ACTHA region 3 Championship placing first in every ride during that season also and various horse shows.

We play around with reining, cutting, team penning all bride less and some trick training. He has gone to nursing homes and has worked with rape victims with therapy work dealing with their emotional and physical trauma. (he is a natural for therapy work and really thrives on helping people and getting through to them on a emotional level.) I swear he can read minds and thoughts. He has done a lot of children's birthday parties where he dresses up in outfits and does tricks. He has performed bridle less at haltime shows at rodeos and different horse events, we also did rodeo drill team and trick riding for two seasons. We have competed in ABRA shows,

ACTHA rides and Extreme Trail Challenge events and love attending clinics to improve my horsemanship and Petey's training.

He has a heart of gold and deserves to show it to the world. He is a phenomenal trail horse with a personality that shines through. Everyone falls in love with Petey's loving attitude and personality and he is always trying to show off his tricks for treats while on the trail or showing and he is pretty smart and most times thinks he works on commission for treats. I want the world to see how truly special this little horse is.

I am also an affiliate for ACTHA . Check out the ACTHA Buckle Series going on now. www.actha.us The rides are at Hillsdale Lake and the dates are Aug 6&7, Sept 24&25, Oct 22&23, and Nov 19&20. Go to www.actha.us and enter these rides online NOW!!! Check out the fun you can have riding with ACTHA!!! We have over \$2000 worth of prizes and several local sponsors donating prizes like Y BAR H, Freddie Horn's Chap Shop, Roy Frey Western Wear , Diane Ransom with Cherry Ridge Farms, Spring Hill CoOP, R Bar B tack along with a few others still in the works.
