Kansas Flint Hills Symposium

Governor's Flint Hills Visioning Summit II

This is an invitation to the Second Governor's Flint Hills Visioning Summit on Tuesday, January 17th, 2012 at the Capitol Plaza Hotel and Convention Center in Topeka, KS. The summit will again bring together stakeholders from throughout the Flint Hills Region and across the state of Kansas. This is a follow-up to the first summit held in May 2011.

Presenters include representatives from Kansas Livestock Association, The Nature Conservancy, the Flint Hills Regional Council, K-State Extension, Kansas Travel and Tourism and more. Ty Warner, Flint Hills Regional Council, will share information about the recently awarded \$1.98 million HUD Sustainable Communities Regional Planning Grant.

Participants will be involved in breakout sessions to discuss specific issues, and offer feedback, recommendations and direction for the future. The day will conclude with a legislative reception.

If you're interested in Flint Hills tourism efforts (including trail riding opportunities), Agri-tourism, dealing with Sericia Lespedeza, or Conservation Easements you will enjoy this program.

This summit will be another step to creating thriving and sustainable rural communities throughout the Flint Hills of Kansas. Please pass this opportunity along to others who may wish to participate.

Agenda and on-line registration is available at

fhs.ksoutdoors.com

Registration fee ~ \$20

Space is limited, so register early!
