Use the KHC Website

We want the KHC website to work for you. Use it to advertise your business; sell horses, trailers, hay and tack; keep track of what's happening with equine legislation; and locate equestrian events across the state. Submit your ad to classified@kansashorsecouncil.com.

Each month our front page features an adoptable horse that needs a "forever home". These horses are all from registered equine rescue/sanctuaries in Kansas.

If you're a trail rider, get specific trails information and directions under our TRAILS tab. Plus, the KHC is publishing *Equestrian Trails in Kansas*, a handy, pocket guide to 300 miles of trails in state parks, federal reservoirs, and public lands. Look for it early this Fall.

EquiFest of Kansas – mark your calendars – Feb. 12, 13 & 14, 2010. Visit www.EquifestofKS.com for complete information.
