## KHC Foundation Awards Scholarships

The Kansas Horse Council Foundation had another hugely successful silent auction at EquiFest this year. Proceeds went directly to providing financial assistance to ten college bound students. The Foundation began awarding scholarships to KHC members in 2003. This year \$10,000 is being distributed to ten very dedicated and deserving students. The 2008 scholarship winners were: Leah Coon of Topeka, Ashley Eisenbarth of Hoyt, Katelynn Edmondson of Eureka, Hailey Grimm of Hiawatha, Clinton Laflin of Eureka, Olivia Law of Manhattan, Stetson Schmutz of Salina, Denton Sheperd of Kismet, Elaine Wagner of LaCygne and Cody Zabel of Onaga.

A reception was held June 10<sup>th</sup> in the Heritage Room of Weber Hall on the KSU campus to present each recipient with their \$1,000 scholarship award.

All KHC members are encouraged to apply for these scholarships. Information can be found on our website, [www.kansashorsecouncil.com](http://www.kansashorsecouncil.com).
